

Printing with Jason Hicklin.RE

Jason once again joins us in the print studio at UCLAN to share his printing secrets.

Jason will cover preparation techniques, how to mix Intaglio inks to achieve the perfect range of tones, how to use viscosity inks and apply them to produce multi-coloured prints at one stroke.

These techniques will revolutionise your printing practice.

Join Jason on February 12th for his
Master class in printing.

10am-4pm

Cost £40 /£30 students

Places are limited so booking is essential.
